# Lesson One by Jars of Clay

Lesson one - do not hide Lesson three - you're not alone Lesson two - there are right ways to fight Not since I saw you start breathing on your own And if you have questions You can leave, you can run, this We can talk through the night Will still be your home So you know who you are So you know who you are And you know what you want And you know what you want I've been where you're going I've been where you're going And it's not that far And it's not that far It's too far to walk It's too far to walk But you don't have to run You'll get there in time

But you don't have to run You'll get there in time Get there in time In time, to wonder where the days have gone In time, to be old enough to Wish that you were young When good things are unraveling, Bad things come undone You weather love and lose your innocence

There will be liars and Thieves who take from you Not to undermine the consequence But you are not what you do And when you need it most I have a hundred reasons why I love you

If you ever love and lose your innocence Just remember - lesson one

### MESSAGE Walking in the Wilderness: Traveling Companions Rev. Kim Kinsey

# **PASTORAL PRAYER & THE LORD'S PRAYER**

Our Father, who art in heaven, hallowed be thy name.
Thy kingdom come, thy will be done, on earth as it is in heaven.
Give us this day our daily bread; and forgive us our trespasses, as we forgive those who trespass against us.
Lead us not into temptation, but deliver us from evil.
For thine is the kingdom, and the power, and the glory, forever.
Amen.
